Please find below and/or attached an Office communication concerning this application or proceeding.

Art Unit: 3627

**DETAILED ACTION**

***Response to Amendment***

1. The reply filed on July 23, 2002 is not fully responsive to the prior Office action because of the following omission(s) or other matter(s): the reply fails to include a corrected, substitute declaration properly identifying the specification by application number and identifying the post office address of each named inventor. See 37 CFR 1.111.
2. Since the above-mentioned reply appears to have been a *bona fide* attempt, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
3. Applicant is advised that **ANY REPLY TO THIS OFFICE ACTION**, to be considered a complete and proper reply under 37 CFR 1.135(b), and to be considered a *bona fide* attempt to advance the application to final action under 37 CFR 1.135(c), **MUST INCLUDE A NEW DECLARATION** identifying the specification to which it is directed by application number and identifying the post office address of each named inventor, **EVEN IF THE REQUIREMENT BE TRAVERSED**. Failure to do so within the time permitted will result in a final holding of **ABANDONMENT** for insufficient reply.
